January / 2003

City of Santa Barbara PO Box 1990, Santa Barbara CA 93102

Electronics Collection Day

The County of Santa Barbara Public Works Department will be sponsoring a one-day event available to City residents for the collection of electronic equipment.

When:

Saturday, January 11, 2003
From 9:00 a.m. to 1:00 p.m.

Where:

Santa Barbara City College,
Parking Lot 2C
(located at corner of Loma Alta Drive and Shoreline Drive)

Raytheon's Parking Lot

6380 Hollister Avenue
(in Goleta at corner of Robin Hill Road)

Items Accepted Free of Charge:

Computers, printers, radios, printer cartridges, fax machines, scanners, copy machines, microwave ovens, stereo and video equipment, cameras, toasters, hair dryers, and vacuums.

There will be a \$10.00 charge per item for computer monitors and televisions. No washers, dryers, refrigerators, stoves, dishwashers, or water heaters will be accepted.

For more information, call (805) 882-3616.

Airport

Delta Connection adds another non-stop flight to Salt Lake City from SBA

Delta Connection announced the addition of a third daily non-stop flight between Santa Barbara and Salt Lake City beginning January 28, 2003. The late afternoon departure from SBA to Salt Lake City will round out the current schedule that has an early morning and a mid-day departure. Delta has 300 flights per day to 66 cities from their Salt Lake City hub. The new regional jet service operated by Comair will fulfill an important Airport air service goal by providing local passengers with more travel options. The Delta service to Salt Lake from Santa Barbara began in September 2001 and has become one of SBA's most popular non-stops.

Passenger tips for SBA security checkpoints to air on City TV

Passing through SBA's checkpoints goes quickly and smoothly when passengers avoid certain items on their person and in their carry-on baggage. Channel 18 staff worked closely with Airport and TSA personnel in producing a segment for Inside Santa Barbara that advises passengers of what to expect at Airport security checkpoints. The segment, to air in December, provides passengers with tips on how to prepare for a trip, from parking in the Airport lots to boarding an aircraft. The TSA is currently promoting a national public information campaign, Prepare for Takeoff; for more information visit www.tsatraveltips.us.

Parks & Recreation

\$50,000 to Teen Programs for alcohol awareness

Teen Programs has been awarded a \$50,000 grant by the County of Santa Barbara Alcohol, Drug, and Mental Health Services for the development, implementation, and evaluation of a youth-driven coalition to address alcohol and other drug-related problems among youth in Santa Barbara. The coalition, comprised of fifteen high school students solicited from the community, will include liaisons from the Santa Barbara Youth Council. The Youth Coalition will conduct a study, host a Community Youth Summit, addressing alcohol and other drug-related substance abuse issues among teens, and prepare a report for three legislative bodies, including the City Council.

Grant for restoration of Old Mission Creek

The Creeks Program received a \$200,000 grant from the California Department of Parks and Recreation Riparian and Reverine Grant Program for the restoration of Old Mission Creek at Bohnett Park. This award, in addition to Proposition 12 per capita grant funds of \$175,000 and California Resources Agency grant funds of \$50,000, will provide a total of \$425,000 for the project, which is scheduled to begin construction by May 2003.

Public Works

Slurry seal - winter 2002

The City has contracted with California Pavement Maintenance (CPM) to slurry seal streets. The contractor has been working in the Hidden Valley, Bel Air Knolls, Samarkand, and San Roque areas from mid-September through the end of November. The contract requires a break in construction from the end of November 2002, to April 1, 2003. This will allow the contractor to avoid complications due to cold and wet weather. The slurry work will start again in April to complete the work in the San Roque and Samarkand areas, and continuing on to the Waterfront area below the freeway, and the area north of the Montecito Country Club. This work is expected to be completed by the beginning of June.

Santa Barbara Bike Police

Inside Santa Barbara

Inside Santa Barbara on City-TV Channel 18

The December program features segments on the Highway 101 Draft Environmental Impact Report (EIR), the 30th Anniversary of the Clean Water Act and what steps the City has taken to implement it, the Redevelopment Agency's West Downtown Neighborhood Improvement Process, the Federal Transportation Security Administration's new airport security program at the Santa Barbara Airport, and finally a feature about Police Sergeant Dave Gonzales and his efforts to raise funds for Christmas Unity. The December episode of *Inside Santa Barbara* premieres Saturday, December 7 at 9 p.m. and airs throughout the month every Monday at 8:00 p.m., Tuesday at 5:00 p.m., Wednesday at 6:30 p.m., Saturday at 9:00 p.m., and Sunday at 10:30 pm.
